# JUNIOR SPRING TEAM

## Regular Ball Junior Team

For players with 2+ years of full court experience we have a Saturday night junior team. It is captained and lead by a SWCPTC coach and players this year need to sign up through their account to play on the team.

**\$120 Team Fee:** The fee to play on this team also includes a team practise led by one of our coaches over 3 courts every Friday between 4-6pm on the following dates: May 2, 9, 23, 30, June 6, 13. The focus of the practises will be doubles and run as a round robin like matchplay to get as many players involved as possible. No make ups for rain outs or weather related situations. If the weather cooperates we will do our best to dry the courts to play.

Most teams will have between 12-14 players on the roster. Each week six players under 14 and six players under 18 are chosen and are committed to playing in a doubles match on Saturday night between 5-7pm for 1 hour. The team captain/coach will choose the lineup and must confirm their availability with the coach. Players may not play every week and rotate throughout the season. A final tournament is done at the end of the spring season and our 6 most competitive and committed players in each age group will be chosen for this by the team coach.

Sign Up on court reserve. Each age group will have 14 spots available. No refunds or prorated prices for missed classes, weather, removal from team either by coach or player/parent, injuries etc.

**Policies (refund and cancelations):**

No refunds, changes to other sessions, or credits within 14 days or less of a clinic start date.

Any changes prior to 14 days (336 hours) can be made by the member through their CourtReserve account. After this time has elapsed, the system will not allow further changes. It is the member's responsibility to confirm that they have completed the cancellation process by confirmation via their CourtReserve account.

Approved refunds through the system may take up to the end of the month to be processed.

Each session is booked independently from any other bookings or cancellations.

Due to the nature of being an outdoor program and the unpredictability of the weather, please expect to play tennis unless a message is sent from the Head Pro/Pro in charge for that day. **We cannot provide any extra makeups, refunds or credit for any missed time due to inclement weather which includes extreme heat, rain, storms, or other reasons for missed classes outside of the dates already communicated in this pdf.**

Any cancellation within 14 days before the first date must have a valid doctor's note and emailed to Head Pro before the first class. A refund minus the administration fee will be applied to approved late withdrawals.

No makeup, refund, or credit for missed classes due to unforeseen circumstances or injury once the program has started. If you wish to change classes within the session only approved players will be allowed and unfortunately for complete withdrawal from the program no refunds, credit, or other options will be allowed.

If cancellation of the session is initiated by the club, a refund or credit will be provided.
