New 2025 Sign Up procedure based on age!

Please be aware:

We will have sign up in two categories 5-9 year olds and 10-15 year olds and do our best to keep to these dedicated groups/levels and as an example if we only have 2 six year olds and 2 eight year olds signed up we may need to group them all together and use a mixed style of group coaching. Otherwise if we have sufficient numbers we will keep to the red, orange, green dot, regular ball groups as outlined above.

No need to worry as our pros are trained to deal with varied levels and learning stages and everyone will be taught the fundamentals and supported along the way to learn and enjoy the sport. Red and orange levels are very similar and most of the curriculum is based upon the 5 fundamentals as stated by Tennis Canada. Green dot/regular ball is very similar as they both play on the full court with slightly different balls. What we have found is at the recreational level many 10 and 11 year olds would prefer to play with regular balls and be with friends that may be slightly more advanced or have more experience. In the past we have had one regular ball court with more experienced players and one regular ball/green dot court that is novice-intermediate level. At the end of the day our goal is to support each player, be active, learn the fundamentals, improve athletic literacy and foster a love of the sport for many years to come.

JUNIOR SUMMER CAMPS

PROGRAM GROUP DESCRIPTIONS(SUBJECT TO COACHES DISCRETION): EACH WEEK WE WILL SEPERATE PLAYERS INTO GROUPS AS OUTLINED BELOW BASED ON AGE, SKILL LEVEL, SPACE AND FRIEND REQUESTS

Red Ball Fundamentals (ages 5-8): A fun way to introduce kids to the game of tennis. Participants will learn in a safe and fun environment the fundamentals using mini nets and slower balls. FUN games and FUNdamental movements will be linked together in play.

Orange Ball Fundamentals (ages 8-10): Continue to improve fundamental movement skills, motor skills, and tennis skills using a games based approach on half of the full size court.

Green Dot Ball Fundamentals (ages 10-12): . This clinic will emphasize positive feedback, improve self esteem, and attain basic athletic physical literacy, tennis fundamentals, psychological skills, and ability to compete. This clinic may play on a $\frac{3}{4}$ court with the goal to eventually transition to full court once the players learn, develop and consolidate the required tennis skills.

Regular Ball Fundamentals (ages 12-15+): Players will come motivated to learn the fundamentals in this Tennis For Life stream. Progressive tennis may still be implemented to help less experienced players learn the game faster and improve. A balance of learn and play will be the focus.

Please sign up for as many sessions as you like. If your child's age does not meet the requirements for the group please email Ryan Chow with a request to join the group, with info such as child's age, tennis or athletic background as exceptions will be allowed on a case by case basis.
